Why hello Chief,

I'm currently living in Alaska and lovin' life. I've been working with caribou lately which keeps me extremely busy. How are you doing? And how's the weather down there?

Seriously. That's my dream job. I love Alaska too..almost moved up there 14 yrs ago. I hiked the Resurrection Trail (40-mile stretch) from Hope to Cooper's Landing twice. Great trip and haven't been anywhere better since.
